

Preschool & Aftercare Provider Information

Dunlap School District does not offer a regular preschool program. Our elementary schools begin with kindergarten. Students must be age 5 on or before September 1st to qualify for enrollment in kindergarten. Dunlap School District does, however, partner with Peoria County Bright Futures and the Special Education Association of Peoria County (SEAPCO) to provide assistance to children ages 3-5 who may need additional support prior to attending kindergarten. Each of these programs takes place at Hickory Grove Elementary School for qualifying children. [Click here](#) for more information about these programs.

Child Care Providers

Dunlap School District partners with the [Right at School](#) program to provide after school care and enrichment services at all of our elementary schools. Contact your child's elementary school to learn more or visit their [website](#).

Although Dunlap School District does not offer a regular preschool, as a service to our community, a list of local daycare facilities is provided below for your convenience. Please note that these facilities are not a part of Dunlap School District. As such, please contact the individual providers directly at the phone number listed.
