Dear Parent(s):

Welcome to Dunlap Community Unit School District #323! As you may be aware, Dunlap is one of the fastest growing school districts in Central Illinois. As a result of this growth, there is limited space in our elementary schools. This letter is intended to inform you that all elementary students new to the District for the upcoming school term are being placed on a waiting list. A decision on school placement will be made in August.

As a new resident to this school's attendance area you will need to come to the school office to complete a registration packet. It is important that you promptly register upon moving into the District so that we can accurately project our enrollment for the coming year. If your child will not be attending the school where they registered you will be notified by August 11, 2011. We apologize for any inconvenience this may cause but are confident that your child will receive an outstanding education regardless of which Dunlap elementary school your child attends.

If you have any questions, please do not hesitate to call the school office.

Sincerely,

Greg Fairchild,  
Principal, Banner Elementary
