Athletic Director's Update: Duane Peterson

- November 15 was the All-Conference Banquet. We had 13 1st Team athletes.
- Boys Basketball hosted a successful tournament over Thanksgiving.
- The girls BB teams also played in tournaments over the weekend.
- Meeting with Board and Strategic Planning Committee about facilities improvements. Some improvements could be started in the next 6 months if passed.
- Random Drug testing is in its 4th month and so far 30 students have been tested with none testing positive for illegal substances. No Dunlap students have been tested by the IHSA yet but the IHSA is stepping up their testing so we expect to have some students tested soon.
- There will be a post season surveys coming out starting with the winter sports for parents and athletes to evaluate our programs. Responses will be used to help the decision making process.

Team Rep Comments:

- Cheerleaders are practicing for competition and basketball season.
- Football will be doing conditioning and training with weights in the off-season.

Membership/Donations:

The letter that Ron Murphy wrote was signed by Pete and Duane and will be going out this week. Hopefully we can pick up some more donations and Booster members.

Webpage:

Dena handed out a sheet detailing the items on the webpage. The webpage will have a home page for current events and menu items – minutes, funding, membership and about us. Some changes were made to the Funding Requirements sections and will be passed on to Angela Stancil who is creating the webpage.

Booster Club Structure:

Boosters voted to look into the possibility of changing our name to Dunlap Eagles Athletic Booster Club. (Keenan/Smith) A strategic meeting will take place on Wednesday, December 16th at 4:30 at Pete Mangieri's office – 7308 N. Willow Lake Court. All Booster members are encouraged to attend.

Other Business:

- Booster would like to plan a Meet & Greet for all Booster members in Feb/Mar.
- A shooting machine for basketball - \$5,450 has been requested. The Allocations Committee is looking into it. They have the brochure but want to know how many other schools have this type of equipment and if basketball is willing to cover part of the cost.
- Cindy Gosnell joins Boosters as the Boys Basketball Team Rep.

Meeting adjourned at 7:50 p.m.

NEXT MEETING: January 6, 2010 @ 7:00 pm, DHS Commons
