Dear Parents and Current 8th Grade Students,

Dunlap High School would like to welcome you to our orientation meeting for all eighth grade students and their parents on Thursday, January 11th. Our presentation will begin at 6:30pm in the high school auditorium and should last about an hour and a half. Orientation packets will be available for pickup in front of the auditorium at 6:00.

Our objective on this evening will be to provide you with valuable information regarding the Freshmen Academy here at DHS. We feel that our Freshmen Academy is very unique and provides a positive environment for our students to learn. It serves as a nice bridge between middle school and high school. You will also hear from our counselors about the available curriculum and the registration process. Representatives from our different clubs will be in the commons area as well to give you an idea of what they do and how your student can become involved.

We feel that this night is very important to you and your eighth grader. If you have any specific questions regarding this event, please don't hesitate to contact me (sadreon@dunlapcusd.net) or our head counselor Kim Klockenga (kklockenga@dunlapcusd.net).

We look forward to working with you and your family over the next four years.

Respectfully,
