

DUNLAP FOOD SERVICE DEPARTMENT

Dear Dunlap CUSD #323 Parents and Guardians:

Welcome Back! The new school year is fast approaching and the Dunlap Food Service department is busy preparing for our students to arrive. Please take a moment to review some important information that will assist you in a successfully navigating the food service program.

Many have asked if school meals will be free for school year 2023-24 since the *Healthy School Meals for All* (HB2471) passed in May. Legislation has passed both the House and Senate and has been sent to the Governor for his signature. Unfortunately, the bill was not funded for the Fiscal Year 2024 budget and will not be implemented for this school year.
