

KITCHEN ANGEL LUNCH DONATION ACCOUNT INFORMATION

The Kitchen Angel account is used all year to help those struggling families pay for school meals and pay off lunch debt. I created this account because I had cooks using their own money to pay for student meals and at that point I needed to do something. Our Angel account is funded solely on donations and the need is always there.

If you would like to help with a donation, please send check to Lisa Leitner – Food Service Director at Dunlap High School made out to Dunlap CUSD #323.

Another way to help is if your leaving our school district please opt for transferring your children's remaining lunch balance to the Kitchen Angel account. You can email me at lleitner@dunlapcusd.net
